NOVOTEL GOA DONA SYLVIA RESORT

Paper Recycling Confex Asia 2026, organised by **Waste & Recycling magazine**, returns to **Novotel Goa Dona Sylvia Resort** on **(27) 28 November 2026**, following successful editions in Dubai and Bangkok and building on a strong legacy of industry-leading platforms.

Bringing together the **entire paper recycling value chain**, the confex is designed to deliver sharper market insights, stronger business connections, and meaningful growth opportunities. This edition expands its scope to include chemical and additive suppliers, adding deeper focus to processing efficiency, product quality, and circular innovation, with attendees expected from Asia and beyond.

Set in Goa's vibrant coastal setting, delegates can also make the most of the destination, including its relaxed sunset atmosphere for informal networking and downtime outside the programme. The event itself runs across (27) 28 November, beginning with an evening networking dinner on 27 November, followed by a full-day conference and exhibition on 28 November featuring insights, discussions, and solution showcases that drive industry conversations forward.
